

The image features a vertical banner on the left side. At the top, the word "IRIDIAN" is written in white, bold, sans-serif capital letters on a dark blue background. Below this, the text "Leader in Optical Filter Solutions" is written in a white, serif font, with "Leader" on the first line, "in Optical" on the second, "Filter" on the third, and "Solutions" on the fourth. The background of the banner is a vibrant, multi-colored rainbow spectrum that curves from the top left towards the bottom right. A circular graphic element, resembling a lens or a filter, is positioned in the lower half of the banner, with the word "IRIDIAN" written in small, white, capital letters along its inner edge. The overall aesthetic is high-tech and scientific.

Iridian in the EU Market 2010

Iridian is working together with its Distributors in different Geographical Areas to serve the European Market.

We also are covering the European Market directly through the services that we are offering in three main European Languages: English/ French/ German

It is our intent to expand our services to the European Market through more direct involvement and a closer cooperation with our Distributors in the area.

Our products are present in Europe mainly in the Raman Spectroscopy, Fluorescence and Entertainment industry.

We are providing optical coatings of high quality and performance at very affordable prices.

So, give us a try!

In Europe we also are present at different venues:

Photonex in the UK

OPTO in France

Laser 2011 in Germany

Visit us at these venues or contact us directly at:

sales@iridian.ca in English, French or German.
